Phone: ____ / _____

Relationship: _____

Parent/Guardian Signature: _____ **Date:** _____

(Starting 2021-2022 School year)

There is a 10 Day waiting period for all route change requests.

All bus routes are being pre planned and bus stop locations are being selected in the safest spot available. Students will be required to walk to the closest bus stop. We are no longer going door to door or down any County Road that dead ends or requires a bus to back up or operate on any unimproved surface or private property. Students are not allowed to ride any bus except for the bus routes they are assigned too. Students can only have 1 AM pickup location and 1 PM drop off location. Parents are responsible for their children at the bus stops.
